

**“Self
Development
— fellowship
through
service”**

- *Rotaract Motto*

Rotaract

Service.
Leadership.
Action.

Rotary International

What is Rotaract?

Rotaract is an international service organization for young professionals, ages 18 to 30. Founded by Rotary International, Rotaract follows the same ideals such as high ethical standards, fairness, goodwill, and has a strong commitment to service and the community. Rotaract strives to build a better world through service.

What does Rotaract do?

As a club, Rotaract participates in many service projects and volunteers at community events. Some of the past events we have done include:

- Setting up and participating in Amy's Walk against pediatric cancer.
- Raking leaves and washing windows to assist local senior citizens as a part of Geneseo Cares Service Day
- Collecting food for a basket to give to a needy family for Thanksgiving
- Putting together medical packages in Lauderdale Health Center, for the health offices on campus.
- Fundraising for Relay for Life

**“Service
Above
Self”**
- Rotary Motto

Join the club!

Rotaract encourages networking, self development skills such as leadership, and improving the community. If you are interested in any of the above, then Rotaract is for you! It's easy to become a part of the club—just find us at the annual Geneseo Student Expo Fair or contact us for more information on our first meeting.
