"What is Rotary?

*Thousands have made an answer,
each in his own way. It is easier to
note what Rotary does than what it
is".*

September is Basic Education and Literacy Month

Worldwide, 67 million children have no access to education, and more than 775 million people over the age of 15 are illiterate. Our members support educational projects that provide technology, teacher training, vocational training teams, student meal programs, and low-cost textbooks to communities. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.
